**Important Information**

**Regarding Classes**

\*If your child attends school, he (she) will be in a class with the grade **they just finished**, not the grade they are going into.

\*If your child is the preschool age group, their class will be based on their age **last Sept. 1**. For example, if your child was 3 years old last Sept. 1, 2010, they will be in the 3 year old class, even though they are now 4 years old.

\*If your child will not be 3 until after Sept. 1, 2011, they will be going to the nursery.
